

Introducing SMART care— Comprehensive Protection Designed for Districts That Can't Afford Downtime

Advanced Protection. Built for the Way You Work.

At SMART tag, we know your technology powers something bigger—**safe, efficient student transportation**. That's why we created **SMART care**: next-level protection for your fleet's tech, engineered specifically for the demands of school districts. It's **comprehensive, hassle-free coverage** backed by world-class AI-powered support—because downtime isn't an option.

Superior Protection. Comprehensive Coverage.

Mechanical Breakdown:

- ✓ Display Malfunction
- ✓ Hard Drive Breakdown
- ✓ Port Error
- ✓ Wi-Fi or Bluetooth Issues
- ✓ **And more**

Accidental Damage:

- ✓ Cracked Screens
- ✓ Liquid Spills
- ✓ Broken Keys
- ✓ Damage due to a Fall
- ✓ **And More**

Why Choose SMART care?

 Free shipping — both ways

 All-digital claims — no paperwork, ever

 Unlimited \$0 Repairs* — no surprise fees, up to the full device value

 Real-Time Policy Management — access a modern dashboard to manage coverage, view claims, and monitor device performance across your fleet

 Support your way — online or phone

 **AI Chat Assistant** — get quick answers and help with coverage details, right when you need it

Simple Eligibility

- **New and Existing Devices** – Accidental Coverage starts from day one
- **Act Fast** – New Devices must be activated within 30 days of delivery

What is not Covered

- **Wear and tear** (unless it breaks the device)
- **Misuse or abuse**

With SMART care, you're never on your own. From free shipping and fast claims to our new AI assistant, **we make sure your devices—and your team—stay supported, every step of the way.**

* Unlimited repairs are covered at no cost to you, as long as the total cost remains within the device's original retail value. If your device can't be repaired, we'll issue a check for the full purchase price of the device, minus the cost of any repairs already performed.
